

# Ants Can Help

It is raining a lot. There is water all around. How can little ants stay safe?

①

The raft of ants floats. They can wait for the rain to stop. They may reach land. Now that's teamwork!

④

Some ants help each other. They work as a team. They get in a circle. Then they weave their legs together.

②

They make a raft. It is a raft of ants. The ants can stay on top of the water this way.

③
